# TESTIMONIALS

## DR. VIJAY UTTAM DUDHAL

I am Dr. Vijay Dudhal currently working as Deputy Director Indian Railways. I am alumni of Electronics Department of Dr. JJMCOE. The ambience of campus is positive and has friendly environment with systematic approach towards imparting education. The faculties are really very kind and approachable when any need arise. College targets for an overall development of every student, be it education, cultural awareness or practical and industrial exposures of corporate world. Placement activities are also pretty good.

## MR. AKSHAY RUNWAL

I am akshay runwal currently working on BNY MELLON as lead business analyst. I completed Computer Science & Engineering degree in the year 2010 in JJMCOE. I had great support from everyone right from top Chairman, Department Head and all Professors they encourage us to not just academic but also to gain practical knowledge, by taking parts in various event organizing, department club activities which help us not just with our engineering skills but also with the leadership, management skill and today my professional career I find them very very useful, I really grateful to the college and I appreciate everything they have done thank you.

## MR. RAHUL REDEKAR

I am Rahul Redekar currently working in Mercedes benz in R&D department since last 4 years. I am alumni of Mechanical Engineering Department of Dr. JJMCOE. After Completing my graduation I join IIT Guwahati for further higher studies. I am getting good guidance from mechanical department for GATE preparation. It's overall nice experience in JJMCOE.

## MR. ALIM MUJAWAR

I am Alim Mujawar currently working in, Sr. Cost Control Engineer, Estimation & QS (APM), El Seif Engineering Contracting Company, Saudi Arabia. I am alumni of Civil Engineering Department of Dr. JJMCOE. Excellent education, engineering skill developed in me by my college. Thanks for my beloved professors so as I explored me in International Level.

## MR. RAVINDRA NALAVADE

I am Ravindra Nalavade currently working in L&T infotech as Technical Lead. I am alumni of Information Technology Department of Dr. JJMCOE. Training and Placement department is very good. All Faculty is mainly focus on all aspects of student progress in technical skill as well as management skill.

## MS. SHRUTIKA BORADE

I am Shrutika Borade currently working in TCS. I am alumni of Electronics and Telecommunication Department of Dr. JJMCOE. Training and Placement Cell is helpful to me placed in TCS. All Faculty members of our department is highly qualified and experienced. Administrative block and various facility provided to student is excellent.
