Sponsorship Letter

Name- Pratik Machale and Team

Place- Jaysingpur, Maharashtra 416101.

Contact – 9373197880

Respected Dr. B. L. Shinde,

I trust this message finds you well. I am writing on behalf of Dr. J.J. Magdum College of Engineering. I'm currently a student in the MCA-II at our college.

The project revolves around the development of an Enhanced Patient Record Management System (PRMS) with the primary goal of significantly enhancing the efficiency and productivity of healthcare services at Shraddha Hospital.

Our college is undertaking an ambitious project to development of an Enhanced Patient Record Management System (PRMS) ' with the aim of significantly improving the efficiency and productivity of healthcare services at **SHRADDHA HOSPITAL, SHIRUR.**

Recognizing your esteemed expertise and resources, I am reaching out to request sponsorship and support for the successful implementation of the PRMS project. Your support can take various forms, including providing access to relevant data, technical expertise, or any other resources you may find suitable.

Collaborating with you on this project offers numerous advantages, such as:

- Streamlined and more efficient healthcare management processes at Shraddha Hospital.
- Improved patient service and satisfaction.
- Enhanced data security and patient record management.
- Facilitation of remote access, supporting telehealth initiatives.

I would be honored to discuss the details of my 'Enhanced Patient Record Management System' project with your team and explore how your support can significantly impact the advancement of healthcare services at Shraddha Hospital.

Thank you for considering my request. I eagerly anticipate the possibility of working together on this groundbreaking initiative and making a lasting positive impact on patient care.

Sincerely,

Pratik Machale

Dr. J.J. Magdum College of engineering, jaysingpur.

Subject: Proposal for sponsorship- College Project for Online Organic Food Store.

Dear sir,

I hope this letter finds you in good health. I am Ganesh Gurav, student of Dr. J. J. Magdum College of Engineering pursuing the degree in MCA-II. I am reaching out to you on behalf of a collaborative project undertaken by our college's department of MCA.

Project Overview:

Our college project involves the creation and launch of an e-commerce platform dedicated to offering a wide range of organic and locally sourced food products. The platform will serve as a marketplace for farmers, small-scale producers, and consumers interested in organic and sustainable food options. The project will encompass the following key features:

Online Marketplace: A user-friendly website where consumers can browse and purchase organic products such as fruits, vegetables, dairy, grains, and more.

Local Farmer Support: A segment dedicated to supporting local farmers and producers, giving them a platform to showcase and sell their organic goods.

Educational Resources: Providing consumers with information about the benefits of organic food, sustainable farming practices, and tips for a healthy lifestyle.

Sustainability Initiatives: Implementing eco-friendly packaging and delivery methods to reduce the project's carbon footprint.

Benefits of Sponsorship:

By sponsoring our project, your company will benefit in the following ways: Prominent Brand Exposure: Your company logo and information will be prominently displayed on our website and promotional materials, ensuring high visibility. Community Engagement: Demonstrate your commitment to sustainability and local community support through this project.

To,

The Head

Department of Information Technology,

Dr. J. J. Magdum College of Engineering, Jaysingpur 461-101.

Subject: Sponsorship for BE Information Technology Students Project Regarding.

Dear Sir,

The BE student project entitled "Customized Website and Café Management Application" of your department under taken by following Student.

Sr. No.	Roll No.	Roll No.
1	54	Vinayak Sadashiv Mhetre.
2	55	Aditya Dhodiram Alias Balasaheb Patil.
3	56	Abhijit Padappa Hulle.
4	57	Siddhant Sachin Choudhari.

Under the guidance of Prof. Ms. P. R. Patil has been fully sponsored by our café. The problems given for the project work is to make a fully dynamic website and the objective is to make the QR as a payment method instead of payment gateway and the expected out-comes are.

1. Advanced Dynamic Website
2. User-Friendly Admin Panel
3. Effective QR code that promote sharing & networking.
4. Benefits of QR code is that it's cheaper than payment gateway that makes website easy to use & will have quick response than other because of digital networks network.

We request you to please consider our industrial problem as a project work of U. G. student and provide it's the solution. The necessary aid requested for completion of project work will be provided from our side.

Thanking you yours truly,

To Whom It May Concern,

I am writing to express my enthusiasm for sponsoring an exciting project that I believe will greatly benefit college students and the broader community.

We (Happy Coding) are pleased to support the development of an Android app that will enhance the educational experience and provide valuable resources to our students.
(Mentioned below)

- Sanket Sanjay Kumbhar
- Sainath Vilas Mohite
- Bhushan Sadashiv Dandavate
- Hrishikesh Deepak Kamble

The app, which we have named "Digital voting system", is designed to address specific needs and challenges faced by citizens.

It has following details:

1. Developed using Java
2. For backend / DB - Firebase
3. AES 256 bit
4. Few concepts of blockchain are used

Our goal is to make learning more accessible, efficient, and enjoyable for students. "Digital voting system" will serve as a valuable tool, providing resources, information, and support for academic and extracurricular activities. We (Happy Coding) believe that this initiative aligns perfectly with our commitment to empowering students and fostering their growth.

I am pleased to inform you that we are fully committed to funding this project and providing the necessary resources to ensure its successful development. Our team is excited to work closely with the talented students involved in this endeavor.

Please consider this letter as an official endorsement of the project. We look forward to witnessing its progress and the positive impact it will have on the college community.

Sincerely,
Madhusudan Bhosale
